FAQs about Canterbury Happening

**What is it?** Canterbury Happening is an experience. It's a youth event run by youth for youth. Happening is a time to experience Christian fellowship, have lots of fun and laughter, to ask questions, find answers and make new friends all in a relaxed informal atmosphere.

**What goes on?** We have an away weekend in February at Kench Hill near Tenterden. There are talks given by youth team members, discussions in small groups, music, worship and activities. There is also plenty of good food and the freedom to enjoy yourself whilst participating fully in the 'Happening Experience'.

**Is that it?** No there's much more than that. Happening is part of your Christian Journey if you're just starting out or a long way down the road. We make friends and keep friends. Your Happening friends are there all the time and we meet up during the year for more fun and fellowship.

**I don't believe you!** Good, don't believe what this flyer says read what previous Happeners have said:

*"I have never before felt God's presence so strongly as I did during Happening. I have been witnessing for the first time in my life."*

*"Happening helped me grow tremendously in Christ. Not only did I realise God's everlasting presence in my life, I also learnt to trust in God and to ask His view before getting into anything."*

*"It's brilliant! - what more needs to be said!"*

**So I'm interested, now what?** Just fill in this form and send off with the payment before the closing date. If you're under 18 you'll need permission from your parent or guardian.

See you there
